## Clarification of F-1 Visa Rules

Students attending Foothill Preparatory School on an F-1 visa are required to make satisfactory progress toward their degree objective (high school diploma). FPS may not allow students to study at FPS without the intention of obtaining a diploma or without pursuing course-work that constitutes satisfactory progress toward that objective (your course-load must be appropriate to achieve the degree objective).

Students may not pursue a high school diploma or other degree from another institution while enrolled at FPS on an F-1 visa.

We are required to terminate the status of any student visa-holder who

- (1) is not making satisfactory progress toward their degree objective;
- (2) is pursuing degree objective at another institution;
- (3) is pursuing another degree objective concurrently while at FPS; or
- (4) is not intending to complete degree objective at FPS.

Students attending a secondary high school on an F-1 visa are subject to attendance guidelines as outlined by SEVIS. All Foothill Preparatory School students must comply with the FPS attendance policy which requires students to pre-excuse any absences other than those due to illness. Absences will only be excused due to extenuating and emergency circumstances. . Students who are ill must follow the attendance guidelines for having home-stay call the school at 8:30 and/or getting a doctor's note.

Foothill Preparatory School must report students with unexcused absences to the United States Bureau of Immigration and Customs Enforcement for violating of F-1 Visa rules.

I have read and understand the above and agree to abide by the United States Bureau of Immigration and Customs Enforcement rules.
